Program Details

Healing at Home on Country, Community-based Aboriginal Elders & Mentors Program is one of four activities for Corrective Services to receive funding under the NSW Close the Gap Aboriginal Throughcare Strategy. The Aboriginal Throughcare Strategy aims to increase the availability of culturally appropriate supports for Aboriginal children and adults while in and after leaving prison and expand the involvement of Aboriginal Community Controlled Organisations (ACCOs). This will enable Aboriginal adults to exit custody and safely reintegrate into community.

This grant provides a platform to be innovative, think outside the square and tailor a program to meet the needs of your communities.
